**TEMPORARY PUMPING and MISCELLANEOUS WATER SALES**

The undersigned agrees to pay the District **\$1,500.00 per acre-feet and a \$1,000 application processing fee for the purchase of miscellaneous** construction water, subject to the conditions stated below. It is understood that the water is non-potable, agricultural water supply.

The undersigned acknowledges that hazards may exist on the District’s premises. The undersigned waives any claim against the District which may result from the use of said water and from being on the District’s premises at any time and agrees to defend, indemnify, and hold harmless the District, and its officers, directors, employees, and agents, from any claim or liability arising out of or related to the undersigned’s use of such water. The undersigned also agrees to install a meter for the District to track daily water usage.

This permission may be revoked at any time by the District or its representatives.

To the extent that water provided hereunder is conveyed across any lands owned by a landowner within the District, the undersigned shall provide the District a copy of an agreement or other permission confirming access across such landowner’s property.

The above conditions are understood and agreed to by the undersigned and on behalf of his/her principle (where applicable):
